Position Details

As an ESL teacher, your focus will be teaching and practicing oral English with young learners in a class size of maximum 10 students. Our students range in age from 3 to 18 who are an energetic, enthusiastic but well-disciplined bunch looking to have fun and learn English. You will need to be equally as energetic and enthusiastic, use fun games, songs, dances or free-flowing conversations to get students engaged with the aim of developing students' interest in language learning and building up our students' abilities to use English in real life.

The students are divided into different classes according to their age and English level. The basic English level classes are usually supported by a Mandarin-speaking teaching assistant in the classroom helping organize the class.

Structured teaching material and lesson plans are provided to assist the teacher's lesson preparation and delivery.
